I LICEUM OGÓLNOKSZTAŁCĄCE
TORUŃ

PROVIDENCE CHAMPION
NAMUR

WITTEKIND GYMNASIUM
LÜBBECKE

How to act? The power of students clubs

- Weekly meetings
- Voluntary participation
- Age group: 15-19
- Focus on the students' ideas
- Relaxed atmosphere
- Teachers as coaches

Workshops

Debates: MUNs, MEPs

Welcome to
**Toruń Model
United Nations**
Join us at ToMUN
23-25 September 2021

Debates: MUNs, MEPs

Environmental projects

Project 2: Environmental lessons by students for students

- **Environment lessons for year 7 (12-year olds)**
- **Subject:** Educating students on what they can do in practice to protect our environment
- **Single workshop over 2 hours** (for example in the context of a tutoring lesson)
- **Involving experts:**
 - Biology & geography teachers
 - Instructors from Enovos, SEBES, Superdreckschösch and other institutions

Project – Coffee Culture

- 320.000 cups per hour
- Germany 2017:
 - 40.000 tons of single use cups per year
 - 3 billion plastic cups per year
- Luxembourg 2013-2014:
 - 43,95 kg = 221,86 l
- More sustainable & ecological
- Less waste
- Cheaper
- Reusable
- Contributing to our school community

Project – Meatless Monday

Poll results from the school community are largely in favour

Wéi motivéiert bass du fir selwer e Bäitrag zur Ëmwelt ze leeschten? (1 wéineg motivéiert – 5 vill motivéiert)

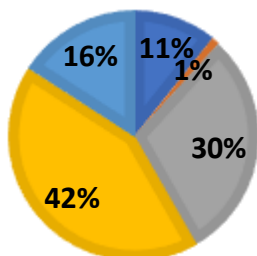

3,85 / 5

Fir wéi problematesch häls du den Impakt vun der Fleeschproduktion op d'Ëmwelt? (1 wéineg problematesch – 5 immens problematesch)

3,63 / 5

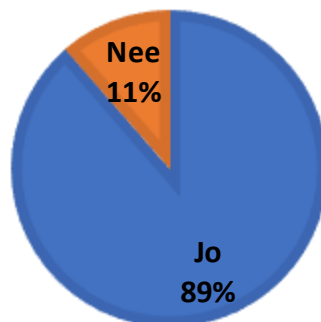

WÉI OF KONSUMÉIERS DU FLEESCH AN DER WOCH?

- Ech si Vegetarier ■ Ech si Veganer
- 1-2 mol ■ 3-5 mol
- All Dag

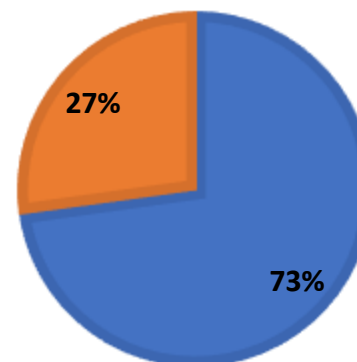

WIERS DU BEREET EEN DAG AN DER WOCH AN DER KANTIN OP FLEESCH ZE VERZICHTEN?

- Jo ■ Nee

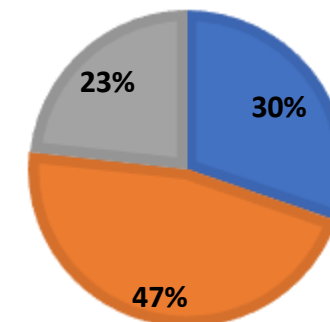

WAT HÄLS DU VU FLEESCHALTERNATIVEN?

- Gutt Iddi ■ Net gutt

WÉI OFT ENTSCHETS DU DECH FIR E VEGETARESCH PLAT AN DER KANTIN?

- Nie ■ Heiansdo ■ Oft

Project – Meatless Monday

Project – Insect Hotel

Bug hotels will provide a great place for insects to live, lay their eggs and hibernate.

- Biodiversity
- Urban biotope for insects
- Supports ecological balance
- Good for pollinators

Project 6 – Veggie Cookbook

Veggie Cookbook

- Promote vegetarian or vegan recipes
- Motivate the school community to try meatless recipes
- Positive encouragement rather than vilification
- Fun project for students and easy to realize
